

MUBAS One

Introducing MUBAS One

Your Unified Login for University Systems

Malawi University of Business and Applied Sciences (MUBAS) is proud to introduce **MUBAS One**, a unified digital identity system that allows all staff and students to use a **single user account** to access a wide range of university systems and services.

With MUBAS One, there is no longer a need to manage multiple usernames and passwords across different platforms. Whether you're accessing Wi-Fi, academic systems, or portals — **one account does it all.**

What is MUBAS One?

MUBAS One is a central authentication system that provides secure, seamless access to MUBAS' digital services using a single set of login credentials — your **MUBAS email address and password.**

Systems that support MUBAS One will clearly display the **MUBAS One logo** on their login pages.

Where Can You Use MUBAS One?

MUBAS One will be rolled gradually into systems but it is already active on some services, including:

- ✓ **Eduroam Wi-Fi**
- ✓ **Staff Publications System**
- ✓ **MUBAS Memorial Website**
- ✓ **Research and Innovation Awards System**

and other academic and administrative platforms.

All **new university systems** being developed or deployed will **require login using your MUBAS One account.**

Getting Started with MUBAS One

Follow these simple steps to activate or reset your MUBAS One account:

Step 1: Visit the MUBAS One Portal

Go to <https://one.mubas.ac.mw>

Step 2: Enter Your MUBAS Email Address

Use your official university email address (e.g., **john.doe@mubas.ac.mw**).

Step 3: Check Your Email Inbox

You will receive a message containing a **token (verification link)**. Check both your inbox and spam/junk folder just in case.

Step 4: Follow the Token Link

Click the token link to open the password setup page.

Step 5: Set Your New Password

Create a strong and secure password. Once done, your MUBAS One account is ready to use.

How to Know if a System Supports MUBAS One

Look for the **MUBAS One logo**  on the login page. This indicates that you can log in using your MUBAS One credentials.

Need Help?

If you experience issues activating your account or setting your password:

Visit the [ICT Helpdesk](#)

Email: support@mubas.ac.mw

Stay Secure

Never share your password.

Use a unique and complex password.

Always log out after using shared computers.

MUBAS One – One Account. All Access.
